Your Honor,

Can we award general terms  
such as "attorney fees" for  
nominal damages or do  
we have to decide on a  
specific amount?

Your Honor,

Is it OK to make a correction  
(ex. cross something out) on the  
verdict form? If not, can you  
provide us with a new form  
as I have made a mistake.  
I do apologize, we mis-read  
something
